## **ADVISORY TO THE RESIDENTS**

### **SUB: FLOWER POTS STORAGE**

Dear Residents,

Greetings,

This is in reference to the GBM held on 22<sup>nd</sup> Oct 2016. It has been brought to the notice to RWA by few co-residents that the some members have kept the flower pots on the edges in the balcony. Your RWA feels that the improper storage of flower pot is risky and can lead to severe accident. Hence we request all the residents not to keep flower pot or any heavy items on the edges in the balcony.

We solicit your support to keep the safety of our neighbour on priority.

Thanks  
Team - RWA
